The College Street Bakery is a family owned and operated business. We bake and sell onsite, and try to provide products that fill the needs and requests of our customers.

We do all types of baking, but do not do decorated special occasion cakes.

Our bakery offers regional and international pastry and breads. If you have a favorite, come in and talk to us. We will try to either make it or find a way for you to get it.

We are competitively priced. No fancy package, no uppity name just good bread, like your grandmother made. Fresh baked daily, here in our kitchen.
